Announcing New Telnet Options

This is to announce that two new TELNET options have been specified. 1 2

Negotiate About Output Line Width (NAOL) NIC#20196 2a

Negotiate About Output Page Size (NAOP) NIC#20197 2b

These were prepared by Dave Walden (BBN-NET) and put on-line by Anita Coley (UCLA-NMC) and Dave Crocker (UCLA-NMC). 3
